Case No. 18-cv-00733-BAT

1) In this case, Petitioners challenge under the Administrative Procedure Act a
2 decision by the United States Army Corps of Engineers regarding the boundary of shoreline
3 areas regulated under the Clean Water Act in the Corps' Seattle District.

4) In accordance with the Court's order (Doc. 36), the Corps filed on June 13, 2019,
5 a Motion for Voluntary Remand (Doc. 37). In accordance with that order, Plaintiffs filed their
6 response to the Corps' motion on July 1, 2019 (Doc. 38). The Corps' reply is due July 5, 2019.

7) The Corps requests an additional seven days, until July 12, 2019, to file its reply.
8 This additional time is needed to allow the undersigned counsel for the Corps adequate time to
9 review Plaintiffs' response and confer with the Corps, prepare a draft response, and to have that
10 draft response reviewed by the Corps as well as the appropriate senior officials at the Corps and
11 Department of Justice before it can be filed. Additional time is also needed because the
12 undersigned counsel for the Corps will be out of the office on July 4, 2019, due to family and
13 community commitments.

14) Plaintiffs stipulate to the relief requested by this motion.

15 WHEREFORE, the Corps respectfully requests an extension to and including July 12,
16 2019, to file the Corps' reply.

17 ORDER

18 IT IS SO ORDERED, on this 2nd day of July, 2019.
